SUMMARY

Software Developer with background in customer service and the aviation industry. Experience creating full stack web applications. Team player with strengths in reliability and accuracy. Accustomed to collaborating on distinct teams.

PROJECTS

Airbnb Optimal Price Calculator

Web application that calculates the optimal rate of an Airbnb rental based on amenities offered

- Role: React II Developer
- Front End created with HTML, CSS, React, Redux, and ReactStrap
- Utilized Back End API to display, create, edit, and remove user Airbnb properties
- Integrated Data Science API and Back End API into forms to return optimal price data in a user-friendly way

Secret Family Recipes

Back End API to store and share family recipes

- Role: Back End Node Developer
- Created with Node.js, Express, SQL, SQLite 3, PostgreSQL
- Implemented endpoints so user can view, create, edit, and remove (full CRUD capabilities) recipes, ingredients, and instructions
- Utilized JSON Web Tokens to authorize users upon login
- Tested with Jest

NASA Photo of the Day

Web application that presents a different astronomical photo or video every day

- Created with React, Material UI, and Greensock
- Worked through NASA APOD API to return media and information in a stylish manner

SKILLS

TECHNICAL HTML, CSS, JavaScript, GitHub, React, Node.js, SQL
SOFT Collaborative, Communicative, Adaptive, Organized, Independent, Proactive

EDUCATION

Lambda School

June 2020 to Dec. 2020

Full Stack Program

An immersive, full time, remote, collaborative and project-based program focused on Full Stack Web Development and Computer Science.

Participated in multiple Build Weeks, in which students were grouped into teams, assigned different roles and tasked with planning, coordinating, collaborating, and programming to create a minimum viable web application.

University of Florida

Aug. 2012 to May 2016

B.A. Anthropology

EMPLOYMENT

Delta Air Lines · Boston, MA

Flight Attendant · Mar. 2016 to Aug. 2020

- Promoted passenger satisfaction through prompt response times and solving issues that arose during flight.
- Facilitated communication between cabin crew and flight deck prior to and during flights to ensure safe and smooth operations.
- Attended online and in-person customer service, conflict resolution, team work and communication training to stay up to date with procedures.

Sun Country · Gainesville, FL

Gymnastics Coach · Apr. 2015 to Mar. 2016

- Boosted athlete performance through spotting, verbal instruction, and demonstration of gymnastics fundamentals
- Collaborated with a team of coaches to set up lesson plans, lead classes, and supervise participants
- Frequented workshops to strengthen knowledge of diverse spotting and coaching techniques in order to maximize athlete performance
